Bath-time blues? Here's tuneful help for parents of tykes who turn bedtime cleanup into a battle of wills.

With giggly lyrics and irresistible melodies, cowpoke Jimbo and his horse Rufus, the Warblin' Wranglers and Fannie Soakley — the fastest washcloth in the West — encourage little listeners through scrubbing, shampooing, toothbrushing and pajama donning. The CD ends with a quiet cowboy lullaby that fades into a long, soothing stretch of crickets chirping. Created by veteran film and TV singer-songwriter Geoff Koch, and sung by Koch, country singer Kellie Coffey and other deft professionals, TippyToeToons, subtitled "Bath to Bedtime Musicals," also include the fairy tale themed CD, "Princess," starring Sir Washalot, Sydney Scrubbins and Lady Elizabeth.
