The Cowboy CD stars Jimbo and his horse Rufus. These two ornery characters love gettin' dirty by ridin' and ropin' and roamin' the range... but not as much as they love takin' a bath! Let these two "fellers" introduce kids to their friends. There's Fannie Soakly, the fastest washcloth in the west. And the Warblin Wranglers, the rootin', tootin'-est, singin'-est cowboys you'll ever meet! From the bath, through putting on pajamas, toothbrushing, picking out a book, to a lullaby, the TippyToeToons® Cowboy CD takes kids on a musical journey from Bath to Bedtime! They'll be ready to play on May 1, 2006. (Price: \$13.99)
